Title: Amorphous Tamsulosin Hydrochloride

**TRANSMITTAL CORRESPONDENCE**

Office of Data Management  
Application Assistance Unit  
Commissioner for Patents  
P.O. Box 1450  
Alexandria, VA 22313-1450

Dear Sir:

Our corporate client requires two different representative signatures on all documents filed with the USPTO. Therefore, pursuant to the instructions stated on USPTO Form PTO/SB/81(01-09), attached are two Power of Attorney Forms and two Statement Under 37 CFR 3.73(b) forms for recordation regarding the above referenced application. Neither form cancels out the other.

Once recorded, the Power of Attorney documents will revoke any and all powers of attorney previously given and appoint the practitioners associated with **Customer No. 00083721 (Lek(Slovenia)-Luedeka, Neely & Graham, P.C.)** with full power of substitution and revocation, to prosecute this application and to transact all business in the United States Patent and Trademark Office connected therewith.

Please change the correspondence address for the above-identified application to Mark S. Graham, Esq., Reg. No. 32,355, LUEDEKA, NEELY & GRAHAM, P.C., P.O. Box 1871, Knoxville, TN 37901, and direct all telephone calls to Mr. Graham at (865) 546-4305. Also, should there be any fee for this filing, the same may be charged to our Deposit Account No. 12-2355.

Thank you for your assistance in this matter.

Respectfully submitted,

LUEDEKA, NEELY & GRAHAM, P.C.
